## **CERTIFICATE OF ATTENDANCE**

To whom it may concern

This is to certify that Ms. Laura Perini, PhD Student at the University of Ljubljana, on Monday, 22nd January 2018 delivered the following presentation at the Institute of Marine Sciences of the National Research Council of Italy (CNR-ISMAR), in Venice:

“MicroArctic - MICROORGANISMS FROM GLACIAL ICE: DIVERSITY, STRESS RESPONSE,  
AND INTERACTIONS”.

The presentation subject has been of particular interest to the researchers of the Institute, gathering the participation of both marine biologists and physical oceanographers.

CNR-ISMAR Director

Dr. Mauro Sclavo
